Do something. Get Moving. Risk new things. Stick with it. - Our foundress, St Angela Merici

As a Catholic comprehensive school following the tradition of Ursuline education, we share a collective responsibility to ensure each student achieves their full potential.

In an atmosphere of mutual respect, trust and care we work together in the spirit of the Gospel to serve, walking alongside our young people to lead by example and instil values in them full of hope and understanding. Through encouragement, responsibility and self-discipline, we enable everyone to grow spiritually and intellectually, in an understanding that *better never stops* and to make a unique and positive contribution to society.

Working together to fulfil our potential academically, spiritually and socially. Respecting each other, helping each other and bearing with each other, because getting better never stops.

Please note that all Ursuline College policies which have not been subsumed by KCSP policies have been aligned with or can be cross-referenced to the closest relevant KCSP policies.

The Academy Committee believes that to enable teaching and learning to take place, desired behaviour in all aspects of school life is necessary. This is a Catholic School and students are reminded of Christ's message: *Just as I have loved you, you also must love one another* (John 13.34). We seek to create an inclusive and caring, learning environment in the School by with forgiveness and reconciliation at the core of what we do by:

- promoting desired behaviour and discipline;
- promoting self-esteem, self-discipline, proper regard for authority and positive relationships based on mutual respect;
- ensuring equality and fairness of treatment for all;
- encouraging consistency of response to both positive and negative behaviour;
- promoting early intervention;
- providing a safe environment; free from disruption, violence, bullying and any form of harassment;
- encouraging a positive relationship with parents and carers to develop a shared approach which involves them in the implementation of the School's policy and associated procedures;
- promoting a culture of praise and encouragement in which all students can achieve.

Uniform and Appearance

It is the Governors' policy that full school uniform must be worn by all students in Years 7-11. School uniform plays an important part in establishing a sense of community and encourages students to take pride in their appearance. Students are expected to wear full uniform on the way to and from school each day. Parents/carers are responsible for ensuring that their child arrives at school each day wearing the correct uniform. Where there is a difficulty meeting an expectation, parents/carers should contact the school at the earliest opportunity rather than sending their child to school knowingly in incorrect uniform without prior communication. Sixth Form students should follow the separate Sixth Form dress expectations.

By having high expectations and clarity of uniform and appearance, standards will remain high and support our students in how they present themselves.

Students are expected to arrive at school each day in full and correct uniform. Where an issue can be corrected immediately, students will be expected to do so. The school may provide or loan appropriate uniform items where available. Where a student deliberately refuses to correct their uniform, or repeatedly fails to meet the school's expectations, sanctions will be applied in accordance with the Behaviour Policy.

This may include detention and/or placement in Reflection until the issue is resolved. Where there is a genuine financial, medical, SEND, religious or other individual difficulty affecting

uniform, parents/carers should contact the student's House Team so that appropriate support or reasonable adjustments can be considered. Financial difficulty should never be a barrier to a student attending school.
